

Finding suitable housing for married couples, like TVA, can be challenging due to limited availability. Students often live off-campus for around two semesters before securing TVA housing.

To join the TVA waitlist, at least one person must be a full-time student with a minimum of 12 credits. Applicants can join the waitlist upon school acceptance but need to meet full-time student requirements to become active on the list.

"Home should be a place where love is felt and where principles of truth and integrity and righteousness and peace are learned and practiced." - Gordon B. Hinckley
